This area designates a private sewage ease-
of 10,000 square feet as required by the Maryland
ce Department of Health and Mental Hygiene for indi-
ual sewage disposal. Improvements of any nature in
s area are restricted until public sewage is avail-
e. These easements shall become null and void upon
nection to a public sewage system. The County Health
icer shall have the authority to grant variances for
roachments into the private sewage easement. Recorda-
n of a modified sewage easement shall not be necessary.

colation test holes shown hereon have been field
ated and shown as "⊗".

lots shown hereon comply with the minimum owner-
p width and lot areas as required by the Maryland
te Department of Health and Mental Hygiene.

colation areas and water wells for adjoining lots
e been shown where pertinent.

ROVED: For Private Water and Private Sewage Systems
