Subject:	U&O Release 5203 Sweet Meadow Lane

On the morning of June 19th, I observed the start-up of a Sewage Grinder Pump at the Walnut Grove Shared Septic System:

Walnut Grove, Contract 50-4330-D Trinity Homes, Lot #67 5203 Sweet Meadow Lane Clarksville, MD 21029

The Sewage Grinder Pump test was successful; the Bureau of Utilities releases its hold on this property for U&O.
