It will be pumped into the holding tank unless you think I should do something different. The water is to fill the toilet bowl and wash hands only. We will have bottled water for consumption.

Subject: RE: Sales trailer at Reservoir Estates pending

Mr. Schoen:

Is the trailer being directly supplied by public water or is water being pumped into the holding tank?

Hank

Hi Rachel:

Please see attached letter regarding BP # B14003209.

Thanks,

Hank

Hank Oswald, L.E.H.S. Howard County Health Department Well & Septic Program 8930 Stanford BLVD Columbia, MD 21045 410-313-1786 410-313-2648 (Fax)

From: Rachel Carr [mailto:carrrache@gmail.com] Sent: Tuesday, September 16, 2014 1:30 PM To: Oswald, Hank Subject: Sales trailer at Reservoir Estates pending

Hi Hank,

I was looking into our application for a sales trailer at Reservoir Estates and found that is pending still in health. Can you please provide a status update on this and what if anything you need from us for it to get approval.

Application number is

## B14003209.

RE: B14003209 10833 Scaggsville Road Laurel, MD

RACHEL CARR:

This letter is in response to building permit B14003209. The application describes a 60' x 12' temporary sales trailer connected to public water but private septic. This office will need confirmation that the sewer tanks will be attached to the trailer.

Building permit approval is being withheld until this requirement is confirmed in writing to the Health Department. I may be reached at (410) 313-1786 if you would like to discuss the project. Respectfully,

Hank Oswald

Hank Oswald, L.E.H.S Bureau of Environmental Health Well & Septic Program
