Demolition of existing structure on property

**This is to advise that the Howard County Health Department recommends issuance of the demolition permit for the above referenced property.**

The property was connected to public water. The account has been closed and the connection will be capped off during demolition. No wells were found on the property.

The property had an old septic system. The septic tank was located and excavated by Fyock Septic on 6/9/17. The tank was empty and did not require pumping. Documentation was submitted to the Health Department showing the septic tank abandonment.

Future buildings on the property will be served by public water and sewer per Howard County regulations.

*IF ANY ADDITIONAL WELL OR SEPTIC COMPONENTS ARE FOUND DURING SITE WORK, PLEASE NOTIFY THE HOWARD COUNTY HEALTH DEPARTMENT IMMEDIATELY.*
