Dear Mr. Ball:

Subject: Daedalean Associates, Inc.
Two Story Office Building
Springlake Research Center
15110 Frederick Road, Woodbine, Md.
Permit Serial #41776 (Amendment)
SDP 79-162

RECEIVED
HOWARD COUNTY
HEALTH DEPT
ELLICOTT CITY, MD
DEC 3 3 10 AM '80

The revised plans dated November 12, 1980 and accompanying letter requesting amendment to the above referenced building permit have been reviewed by this Bureau and the following comments are noted.

1. The change in structural floor system from steel bar joist to wood frame is acceptable.
2. It is understood that the improvements to the second level will not be made at this time. When work on that level is planned, an additional building permit will be acquired.
3. A temporary occupancy permit can be granted for the first floor only once the following inspections have been approved:
 - a. Fire protection
 - b. Plumbing
 - c. Electrical
 - d. Health Department
 - e. Building
 - f. Sediment control
 - g. Site design

For information on the process for requesting and receiving the temporary occupancy permit, please contact Ms. Cathy Hideoy or Mr. George Martin at 992-2455.

INFORMANT Small Cottage on this property behind
new building that has been constructed.

Well Driller - Bollinger
Phone: 876-6952

CONDITION FOUND Summer cottage well at bottom of hill.
10' casing, cased in. People use cottage into Library
8 hrs./day. Not a residence. Long way to other facilities.
Tried Feaser. Sometimes ~~used~~ used by executives for
weekends. ~~2 weeks~~ problem = water has dirt
+ clogs plumbing + toilets don't work. No H₂O for 2 weeks.
"J.B." gave me this info. on phone. RB 3/23/79

ACTION TAKEN 5 people work on the cottage. It is at least
1500 ft down a steep, wooded hill to a shop where there is
a bathroom. There is a privy at the cottage, but the seat
needs to be replaced and it has no ventilation at all.
It would be very impractical to move the people and equipment
to other quarters temporarily and in fact there doesn't seem
to be another place on the property to move them to. RB 3/23/79

FINAL DISPOSITION Discussed with O'Neill. OK for emergency
permit. RB 3/23/79 12:14pm
