

This area designates a private easement of approx. 10,000 sqft as reqd. by the Md. State Dept. of Health and Mental Hygiene for individual disposal. Improvements of any nature in this area are restricted until public sewerage is available. This easement shall become null and void upon connection to a public sewerage system. The Co. Health Officer shall have the authority to grant variances for encroachments into the private sewerage easement. Recordation of a modified easement shall not be necessary.

- Percolation Test Hole, field located
- Proposed House

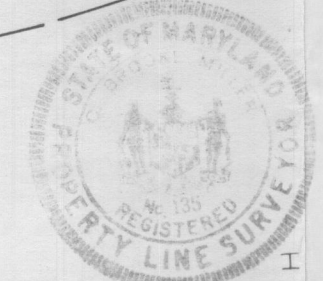

NOTE: The lot shown hereon complies with the min. ownership width and lot area as reqd. by the Md. State Dept. of Health and Mental Hygiene. Percolation areas for adjoining lots will be shown where pertinent.
