MEMORANDUM

FROM: Kevin M. Wolf, L.E.H.S., Supervisor

DATE: 10/19/2015

RE: **8450 Murphy Road**
Fulton, MD 20759
M. 46, P. 115– 33.1657AC
(Demolition of existing Structure, return to parkland)

This is to advise that the Howard County Health Department recommends issuance of the demolition permit for the above referenced property.

The existing well and septic components were not visible located. Due to the nature of the existing conditions of the property, the Health Department has no objection to releasing issuance of the demolition permit prior to well and septic abandonment. Howard County Recreation and Parks has agreed to locate any well and septic components during the demolition phase and properly seal anything found. This must occur in collaboration with the Health Department.

Current utility records show this parcel does not have access to public utilities. Future development will require you to install the new well and/or septic system per Health Department requirements.

IF ANY WELL OR SEPTIC COMPONENTS ARE FOUND DURING SITE WORK, YOU MUST NOTIFY THIS OFFICE IMMEDIATELY!!
