RE: Unplumbed trailer
5033 Greenbridge Road
Tax Map 28, Parcel 53

The Howard County Health Department recommends issuance of the demolition permit for the trailer at the referenced property.

You have reported that the existing trailer was not served by any plumbing, so no septic system or well is known to be connected. You have also reported that the existing house on the property will remain occupied and connected to the existing well and septic system.

If any well or septic system issues arise during demolition, please contact this office.
