**DEPARTMENT OF PLANNING AND ZONING
FINAL PLAT ORIGINAL SIGNATURE APPROVAL**

This is for the processing of final plat originals for signature approvals. If it is found necessary for any corrections or additions to be made on the original, the owner and consultant should be notified, along with the Division of Community Planning and Land Development and other County/State agencies that would be affected by the changes. A notation should be added to this form if the originals are changed.

MEMORANDUM

TO: All Sanitarians
FROM: Donald W. Monaghan
RE: Perc Test and Field Location of test pits

If you require test pits to be field located you shall inform the owner and the engineer in the field at time of testing and by mail (3 copies - one for owner, one for engineer and one for our records) that:

1. Approval for lot or lots will not be granted until all perc pits are field located;
2. Field location of pits must be received by this office within two (2) months after perc tests are completed; and
3. If necessary information is not received within the prescribed time frame this department may require re-perc of the property.

DWM:hs

4. Show house site and well site for each lot also.

RE: Payne property; 3 lots
Watersville Road area

Dear Sir:

Please be advised that the Health Department, after calling for revisions of percolation areas on present platt, still is awaiting an updated platt with more complete and accurate information.

If the Health Department can answer any further questions, feel free to call us at 992-2330 and/or visit us between 8:30-4:30, Monday through Friday.

Very truly yours,

Charles B. Streaker
