Re: Septic Abandonment

Owner – Rinkal Patel

Location – 9550 Frederick Road Ellicott City, MD 21042

We have completed the septic demolition. The home was tied into county sewer. The cesspool was located in the front yard. 1000 gallons was pumped and hauled to Howard County sewer plant. The area filled with clean material and tamped in place. Disturbed area was seeded and strawed.

Regards,

Ken Hatfield
