Hello Mr. Dorsey,

Please provide a scaled site plan and include the well and septic system components meeting the required setbacks to the deck. I've attached the septic record for the property and a building permit with a house location drawing that may help you with this revision.

Once the revised site plan has been uploaded to the portal, please let me know so I may look for it in the system. Should you have any questions, please don't hesitate to ask.

Regards,

Hank
