Re: **BRF Proposal for connecting 10285 Clarksville Pike to public sewer**

The Howard County Health Department has identified a property in Howard County that meets the five requirements of HB 57 to receive BRF money for connecting an existing house to an existing public sewer line.

1. THE ENVIRONMENTAL IMPACT OF THE ONSITE SEWAGE DISPOSAL SYSTEM IS DOCUMENTED BY THE LOCAL GOVERNMENT AND CONFIRMED BY THE DEPARTMENT;

The Health Department has verified that the existing on-site sewage disposal system serving the single family dwelling on the property is in a nonconforming condition due to the drainfield location in a public sewer easement that is in the way of an ongoing public sewer project. (Exhibit A).

2. IT CAN BE DEMONSTRATED THAT:

A. THE REPLACEMENT OF THE ONSITE SEWAGE DISPOSAL SYSTEM WITH SERVICE TO AN EXISTING MUNICIPAL WASTEWATER FACILITY THAT IS ACHIEVING ENHANCED NUTRIENT REMOVAL LEVEL TREATMENT IS MORE COST-EFFECTIVE FOR NITROGEN REMOVAL THAN UPGRADING THE INDIVIDUAL ONSITE SEWAGE DISPOSAL SYSTEM; OR

B. THE INDIVIDUAL REPLACEMENT OF THE ONSITE SEWAGE DISPOSAL SYSTEM IS NOT FEASIBLE;

The Little Patuxent Wastewater Treatment Plant is currently constructed to meet to ENR standards. Therefore, it is more cost effective per pound of nitrogen removal than installing a BAT on an on-site sewage disposal system. The homeowner has received three (3) written quote packages (exhibit B) from contractors to make the connection. The lowest quote is \$3800 from Utilities Unlimited. The homeowner has paid the Howard County connection cost of \$5100. (exhibit C). Additionally, connection to the public system is required by Howard County Code and installation of an on-site sewage disposal system would be inconsistent with the Howard

County Master Plan for Water and Sewerage, and therefore, prohibited by COMAR 26.04.02.02.J.

3. THE PROJECT IS CONSISTENT WITH THE COUNTY'S COMPREHENSIVE PLAN AND WATER AND SEWER MASTER PLAN;

The Howard County Master Plan states that an individual sewerage system may not be installed on any parcel or lot where a public sewer system is adequate and available. The public sewer system is adequate and available to this property.

4. THE ONSITE SEWAGE DISPOSAL SYSTEM WAS INSTALLED AS OF OCTOBER 1, 2008, AND THE PROPERTY THE SYSTEM SERVES IS LOCATED IN A PRIORITY FUNDING AREA, IN ACCORDANCE WITH § 5-7B-02 OF THE STATE FINANCE AND PROCUREMENT ARTICLE; AND

The existing home was built before public sewer was available. The State Department of Assessment and Taxation Real Property Form indicates the house was built in 1973 (exhibit D). 10285 Clarksville Pike is within the Priority Funding Area.

5. THE LOCAL GOVERNMENT HAS ADOPTED A POLICY OR PROCEDURE THAT WILL GUARANTEE THAT ANY FUTURE CONNECTION TO AN EXISTING MUNICIPAL WASTEWATER FACILITY THAT IS FUNDED UNDER PARAGRAPH (2)(I)1E OF THIS SUBSECTION WILL MEET ALL OF THE REQUIREMENTS UNDER THIS SUBPARAGRAPH.

The Howard County public sewer line has already been constructed. The connection will be for 10285 Clarksville Pike and no other homes will be connected to the sewer line house connection.

The Howard County Health Department does not like to maintain financial data of Howard County citizens, so I have requested that the owner provide their taxable income information directly to Canaan Valley Institute. Please feel free to contact me at (410) 313-1771 with any questions.

BRF
SITE INSPECTION SHEET

Exhibit A

OWNER: John Abad PHONE #: 443-917-8400
ADDRESS: 10285 Clarksville Pike CONTRACTOR: _____
SUBDIVISION: B LOT: 2 WELL TAG #: Municipal Water
COUNTY #: Howard
PROPOSAL: Requesting BRF to connect to public Sewer. 3 Baths

LOCATION DIAGRAM

COMMENTS: Met with homeowner on site. Said the drains inside the house are slow and
can have a foul odor. Inspected the septic tank. It is full and does not appear to be leaking. Grass
in this area is patchy and full of weeds. Utilities Unlimited is about 3 houses down in the
process of digging the sewer main. SSF is overtop 2/3 of tank, easement is about 25'. UL dug
past the tank and found a clog. Appears that the trenches for this septic system will be dug up
once the sewer line is installed.

Re: Septic Abandonment / Tie into Public Sewer – Howard County, MD

Page 1 of 2

Dear Mr. Abad:

The following is our proposal to abandon your current septic tank and tie into the public sewer main.

Our Scope of Work and Pricing are as follows:

SANITARY SEWER

Pull Private Plumbing Permit	1 LS
Test Pit Existing Sewer Lines	1 LS
Pump out Septic Tank	1 LS
Crush Septic Tank in place (fill w/ compacted dirt)	1 LS
Reroute 4" PVC to new Public Cleanout	+/- 40 LF

*Provide all documentation to Howard County Well & Septic Program.

* Howard County Public Sewer Fees to be paid by Homeowner.

TOTAL PRICE: \$3,800.00

Due to the current volatility of fuel and material pricing, and availability, the proposal price is subject to change, and scheduling may be affected by material and/or fuel availability. This proposal is based on a diesel fuel price of \$5.50 per gallon.

The following items are not included in the proposal price: Permit or inspection fees, Meter cost, Bond, Stakeout, Geotech services, Demolition, Saw-cutting of asphalt roadways thicker than 8-inches, Saw-cutting of concrete roadways beneath asphalt, Clearing, Test pitting, Grading, Installation or maintenance of SCE, Sediment control, Temporary pipes, Maintenance or removal of inlet protection, Test pitting, Rock blasting, Rock excavation, Trenchless excavation or directional drilling, Moisture control (wetting or drying of soils to achieve compaction), Select backfill, Core trench material, Well point systems, Dewatering beyond the capacity of a 2" pump, Handling or disposal of unsuitable soils, Handling or disposal of contaminated soils, Excavation below subgrade and gravel refill, Importing or exporting of soils, Compaction procedures other than routine 1'-2' lifts, Additional costs due to engineering errors, Relocation of existing utilities, Additional costs due to conflicts with existing utilities, Bracing of utility poles, Responsibility for damage to our work caused by Others, Private utility locating, Responsibility for damage to unmarked private utilities, Permanent asphalt or concrete patching, Seeding or sodding, Plantings, Dedication work – removing manhole channel covers, painting fire hydrants, flushing or cleaning pipe and structures, etc., As-built drawings, Any work not included in the Scope of Work.

Our Work includes a One-Year Warranty on workmanship and materials. The Warranty Period begins from the date of completion of the Work.

If we are requested to enter into a contract separate from this proposal, this proposal shall be attached to the contract as an 'Exhibit'. The language of this proposal shall take precedence over any terms or conditions of the contract, unless otherwise agreed.

Scheduling for this work is subject to our crew availability. This proposal may be withdrawn if not accepted within 15 days of the proposal date.

Thank you for the opportunity to bid this project.

Sincerely,

Andrew Farina

Thank you for choosing Prime Plumbing

The summary above is furnished by Prime Plumbing LLC as a good faith estimate of work to be performed at the location described above and is based on our evaluation and does not include material price increases or additional labor and materials which may be required should unforeseen problems arise after the work has started. Pricing is valid for 30 days after estimate date. I understand that the final cost of the work may differ from the estimate, perhaps materially. THIS IS NOT A GUARANTEE OF THE FINAL PRICE OF WORK TO BE PERFORMED. I agree to the terms and conditions and authorize the work as summarized on these estimated terms, and I agree to pay the full amount for all work performed.

1. Definitions. “*Agreement*” means this Customer Agreement, in conjunction with any Estimate and Invoice as referenced herein, between Prime Plumbing and Customer as it relates to the Services Prime Plumbing has agreed to provide to Customer in exchange for payment by Customer. “*Cost for Services*” means the amount due pursuant to an Invoice(s) issued by Prime Plumbing to Customer in association with the Services. “*Customer*” means the party that has entered into this Agreement with Prime Plumbing. “*Estimate*” means the estimate executed by Customer which identifies the scope of the services agreed to be performed by Prime Plumbing. “*Prime Plumbing*” means Prime Plumbing, LLC. “*Invoice*” means an invoice issued by Prime Plumbing to Customer for work performed by Prime Plumbing. “*Services*” means the plumbing services identified in an Estimate, plus any changes or modifications thereto, that have been agreed to in writing by Prime Plumbing and Customer, which Prime Plumbing has agreed to perform.

2. Scope of Work. The scope of work to be performed by Prime Plumbing is limited to the Services set forth in the Estimate, subject to any changes or modifications thereto which have been agreed upon by the parties in writing as referenced herein.

3. Warranty. Prime Plumbing warrants that the Services shall be performed in a workmanlike manner and that the materials provided to Customer by Prime Plumbing in performance of the Services be free from defects. Within a reasonable amount of time after written notice has been provided by Customer to Prime Plumbing regarding a potential warranty claim, Prime Plumbing agrees to evaluate said claim, and if it is determined by Prime Plumbing to be one which falls within the warranty provided herein, Prime Plumbing shall take reasonable steps towards resolving the issue in a reasonably and timely manner. **THIS WARRANTY EXPIRES ONE (1) YEAR AFTER THE SERVICES ARE COMPLETED BY PRIME PLUMBING UNLESS OTHERWISE NOTED ON ESTIMATE.** This warranty shall be void if Customer (1) fails to pay the total Invoice amount in accordance with the Agreement; (2) fails to provide prompt notice of a warranty claim (within 30 days, or, in case of an emergency, as soon as possible) and a reasonable opportunity for Prime Plumbing to address the issue; or (3) permits any person or company other than Prime Plumbing to perform any work related to Customer’s alleged warranty claim. Exclusions to this warranty include, but are not limited to, damage caused by the misuse or negligence committed by Customer or a third party, clogged drains, frozen pipes, materials provided to Customer by a party other than Prime Plumbing, or any system failure. Prime Plumbing does not warrant any aspect of the Customer’s existing plumbing, or any aspect of Customer’s heating, mechanical, or electrical systems. Prime Plumbing does not warrant, and will not accept liability for, the cost of repairing or replacing parts of Customer’s existing property systems which may develop faults following completion of the Services. The terms of any manufacturer warranty shall not be performed by Prime Plumbing.

4. Limitations & Exclusions of Liability. Prime Plumbing shall not be held responsible for any damage that may occur during the performance of the Services, or that may otherwise be necessary to complete the Services, including but not limited to any damage to drywall, tile, flooring, or fixtures. Prime Plumbing shall not be held responsible for damages related to pre-existing asbestos or any disturbance thereof in the completion of the Services. Prime Plumbing is not responsible for any damage related to the Customer’s heating, mechanical, or electrical systems, or any portion of the Customer’s plumbing system, unless otherwise stated herein. Prime Plumbing shall not be held responsible for any damage caused, directly or indirectly, by lightning, hurricane, tornado, hail, windstorm, unusual movement or settlement of a structure or ground, acts of God, war, pandemic, labor strikes, unavailability of materials, mold, fires, floods, or other hazards typically covered by insurance that occur on the Customer’s property. Prime Plumbing shall not be responsible for incidental, indirect, special, or consequential damages incurred by Customer in association with Prime Plumbing’s performance of the Services.

5. Cost of Services & Payment. Customer acknowledges that the date upon which Prime Plumbing estimates completion of the Services is not guaranteed and that the timing of completion of the Services shall not impact Customer's payment obligations to Prime Plumbing. Customer acknowledges that the Cost of Services may increase due to an unforeseen increase in the cost of materials or unforeseen service which arises between the date of the Estimate and performance of Services. The Cost of Services is the amount identified in each Invoice. Unless otherwise agreed upon in writing, the entire Invoice amount shall be paid in full on the day the Services are completed. If payment is remitted via credit card, Customer warrants that the information it provides to process said payment is lawful and correct. In the event any payment by Customer is denied by a credit card company or bank, for any reason, Customer shall immediately be in breach of the Agreement for nonpayment. Customer will remain liable for full payment of the Invoice plus all additional late fees, interest, attorney fees, and other costs incurred by Prime Plumbing in association with the collection of payment from Commercial Customer. Any objection related to an Invoice shall be made by Customer within seven (7) days from the date of the invoice. If no such objection is made, the Invoice shall be deemed valid. **CUSTOMER AGREES TO CONSEQUENCES FOR NONPAYMENT.** If the Invoice is not paid in full by Customer within fifteen (15) days from the date payment is due, Customer shall be liable for interest at the maximum rate permitted under Maryland law, and a late fee of 1.5% per month of the payment amount that is past due. Customer is liable for all reasonable costs and attorney's fees incurred directly or indirectly by Prime Plumbing in association with Customer's nonpayment. In the event partial payments are made by Customer to an outstanding balance, said payment shall be applied (i) first, to the outstanding principal balance; (ii) second, to any late fees; (iii) third, to any interest; (iv) fourth, to attorney's fees; and (v) fifth, to all other remaining monies due to Prime Plumbing in accordance with the Agreement.

6. Termination. If Customer requests that Prime Plumbing cease work at any time after Prime Plumbing has commenced the Services, Customer shall remain liable for the total Cost for Services and shall otherwise remain subject to the obligations set forth in the Agreement.

7. Indemnification. Customer shall defend, indemnify and hold Prime Plumbing harmless from any and all claims, penalties, or assessments arising from Customer's breach of any covenant, representation or warranty herein, or from any act, omission, or misrepresentation made by the Customer and/or the Customer's employees, agents or representatives, to Prime Plumbing.

8. Legal Proceedings. Any legal action related to the Agreement shall be pursued in the courts of Maryland and shall be governed by Maryland law. In any such action where Prime Plumbing prevails, Customer shall be liable for the payment of the reasonable attorney's fees and related costs incurred by Prime Plumbing in association with such action.

9. Entire Agreement. The Agreement shall constitute the final and entire Agreement between Prime Plumbing and Customer, and neither they nor their agents shall be bound by any terms, conditions, statements, warranties, or representations, oral or written, not therein contained. The Agreement can only be changed by a document executed by Prime Plumbing and Customer. If any provision of this Agreement or its application is held invalid, the invalidity does not affect other provisions or applications of this title which can be given effect without the invalid provision or application, and to this end the provisions of this Agreement are severable.

10. Recording: All communications phone calls, text messages, and in person visits are recorded through use of our CRM, Service Titan for the purposes of training, quality assurance and other aspects related to the business.
